SUMMARY OF LICENSING REQUIREMENTS FOR CHILD CARE CENTERS

This summary is a guide for parents of children in child care centers. It outlines some of the requirements child care providers must meet in order to be licensed. The Department of Human Services is legally responsible for licensing child care centers with 13 or more children. The purpose of licensing is to protect your child. Questions about these requirements or concerns about an agency’s compliance should be referred to the local DHS office. You may ask your provider to see the complete set of center rules or you can access the rules through the Department’s website at: http://state.tn.us/humanserv

Ownership, Organization, and Administration

- Every child care center shall have an on-site director.
- General liability, automobile liability and medical payment insurance coverage shall be maintained on the operations of the child care agency’s facilities and vehicles.
- Enrollment of children under six (6) weeks of age is prohibited.
- Children shall not be in care for more than twelve (12) hours in a twenty-four (24) hour period except in special circumstances.
- Written documentation that the parent performed an on-site visit to the agency to review the agency’s facility and child care policies & practices prior to enrolling the child.
- A copy of the agency’s policies, procedures, and the Department’s Summary of Licensing Requirements shall be supplied to the parent upon admission of the child.
- Parents shall be permitted to see the professional credential(s) of staff upon request.
- During operating hours, parents shall be permitted immediate access to their children.
- Children shall be signed in and out of the center by the parent or other person specifically authorized by the parent or the appropriate staff person.
- Children’s Records
  - Written consent for emergency medical care.
  - Written plan stating to whom the child shall be released.
  - Written transportation agreement between parent and the center regarding daily transportation.
  - Daily attendance that includes time in and time out for each child.
  - Prior written permission of parent for each off-site activity.
  - The records of any child who is five (5) years old in an agency which lacks approved kindergarten status shall include a signed acknowledgment by the child’s parents that recognizes that the child’s attendance does not satisfy the mandatory kindergarten prerequisite for the child’s enrollment in first grade.
  - Incidents, accidents and injuries shall be reported to the parent as soon as possible, but no later than the child’s release to the parent or authorized representative.
  - Incidents, accidents and injuries to children shall be documented immediately and must include: date & time of occurrence, description of circumstances, and actions taken by agency.
  - The agency or agency staff shall not disclose or knowingly permit the use by other persons of any information concerning a child or family except as required by law.
  - During hours of operation the current license and agency report card shall be posted near the main entrance in a conspicuous location.

Supervision

- All areas of the building and grounds shall be visually inspected for children prior to closing the agency for the day.
- Children six (6) weeks through nine (9) years of age:
  - Adult must be able to hear the child at all times, be able to see the child with a quick glance, and be able to physically respond immediately.
  - Exception: during mealtimes an adult must be in the direct sight and sound of children ages six (6) weeks through five (5) years of age, not in kindergarten, while the child is eating.
- Children ten (10) years of age and older:
  - Adult must know the whereabouts and activities of the children at all times.
  - Each child shall be greeted and received by a specific caregiver who will have ultimate responsibility for their supervision and care.
  - When children leave a caregiver’s assigned area and go to another, the center shall implement a system to track the whereabouts of each child and recognize the transfer of responsibility from one caregiver to another.
  - When children ages ten (10) and above are grouped with children under ten (10) the minimum supervision requirements for children six (6) weeks through nine (9) years shall apply.
  - When more than twelve (12) children are present on the premises a second adult must be physically available on the premises.
  - When more than twelve (12) children in first grade and above are present, a separate group, space and program shall be provided for them.
  - Each child must be on roll in a defined group and assigned to that group with a specific caregiver(s).
  - Infants shall not be grouped with children older than thirty (30) months, and a separate area shall be provided for them.
  - Children shall be kept with the same group throughout the day and shall not be moved, shuffled, or promoted to a new group until required based upon the developmental needs of the child, however
    - Groups, excluding infants & toddlers may be combined for short periods for special activities of no more than thirty (30) minutes per day
    - Groups, excluding infants & toddlers may be combined for up to one (1) hour at the beginning & end of the day as outlined in the A:C ratios:

- Group swimming is not prohibited but it is also not recommended due to the high risk.
- Sudden Infant Death Syndrome Precautions:
  - Infants positioned on backs when placed in crib for sleeping.
  - Soft bedding is prohibited for infants to avoid risk of smothering.
  - Infants touched by caregiver every fifteen (15) minutes in order to check for breathing and body temperature.

Staff

- At least one adult available on the premises at all times during child care hours must be able to read & write English.
- Caregivers must be at least 18 years of age.
- Staff under 18 years must be supervised by an adult while in the presence of children.
- Each group of children must have at least one caregiver present who has a high school diploma or equivalent.
- Substitutes providing services for 36 or more hours in a calendar year must have a physical and a criminal background check.
- Volunteers can not be used to meet the adult:child ratios unless they meet the qualifications for substitutes.
- Criminal background checks are required for employees who have contact with children.

Equipment for Children

- Individual lockers or cubbies, separate hooks and shelves or other containers, placed at children's reaching level, shall be provided for each child's belongings.
- In infant/toddler rooms, equipment and space shall be provided for climbing, crawling, and pulling without the restraint of playpens or cribs.
- Indoor equipment, materials, and toys shall be available to provide a variety of developmentally appropriate activities so that each child has at least three (3) choices during play time.
- Climbers, swings and other heavy equipment must be anchored even if they are designed to be portable.
- Resilient surfacing is required in fall zones around playground equipment.
- A quiet rest area and cots or mats shall be available for all children who want to rest but no child shall be forced to nap.
- For health & safety reasons each crib, cot, bed or mat shall be labeled to assure that each child naps on his own bedding.

Program

- Each caregiver shall be responsible for providing consistent care for a specific infant(s)/toddler(s) which includes but is not limited to: planning, and record-keeping for the child, communication, general interaction with and routine care of the child.
- Children shall not be left in restraining devices such as swings, car seats, or high chairs (in excess of thirty (30) minutes). Stimulation shall be provided to children in those settings.
- Programs, movies, computer games, and music with violent or adult content (including “soap operas”) shall not be permitted in children's presence.
- If television, video tapes/DVDs, video/computer games, and/or movies are used, they shall be limited to two (2) hours per day, or the length of a movie if more than two (2) hours in the case of school-agers.
- Other activity choices shall be available to children during television/movie viewing or computer use.
- An opportunity for outdoor play shall be extended to children of all ages who are in care for more than three (3) daylight hours unless outdoor play is prohibitive.
• Children shall be provided an opportunity for outdoor play when the temperature range, after adjustment for wind chill and heat index, is between thirty-two (32) degrees and ninety-five (95) degrees Fahrenheit and not raining; children shall be properly dressed and the length of time outside adjusted according to the conditions and the age of the child.
• During outdoor play caregivers shall be alert for signs of dehydration, heat stroke, frostbite, etc., dependent upon the season.
• Spanking or any other type of corporal punishment is prohibited.
• Discipline that is potentially shaming, humiliating, frightening, verbally abusive, or injurious to children shall not be used.
• Discipline shall not be related to food, rest, or toileting.
• Staff shall plan ahead for developmentally appropriate activities; written lesson plans shall be provided for children of each age group.
• For ages three (3) though school-age, a curriculum shall be offered that shall include instruction, at least once a year, in personal safety – parents notified of and given an opportunity to review the curriculum.
• For school-age children the curriculum shall include instruction on reporting physical, verbal or sexual abuse.

**Health & Safety**

• Children shall be checked upon arrival and observed for signs of communicable disease during the day.
• Symptomatic children shall be removed from the group until parents are contacted and health issues are resolved.
• At least one staff with certification in first aid and one certified in CPR on duty at all times.
• The agency, in consultation with appropriate local authorities, shall develop a written plan to protect children in the event of disaster.
• All home/work contact numbers for parents shall be readily available to all staff.
• Impetigo and diagnosed strep shall be treated appropriately for 24 hours prior to readmission to the center.
• Children diagnosed with scabies or lice shall have proof of treatment and be free of nits prior to readmission.
• Serious injuries or signs of serious illness shall be reported to the parent immediately to arrange for emergency treatment.
• Accidents, injuries, and every sign of illness shall be reported, or a reasonable attempt made to report, to the parent as soon as possible, but no later than the child’s release to the parent or authorized representative.
• All medications, prescribed and non-prescribed, shall be received from the parent by a designated staff person or management level staff person.
• Medication shall never be handled by children or administered in bottles or infant feeders unless authorized by a physician.
• All medications shall be inaccessible to children.
• Unused medication shall be returned to the parent.
• Smoking is not permitted in the presence of children.
• The use of alcoholic beverages is not permitted in child care centers during the hours of operation of the center.
• Firearms shall not be on the premises of a child care agency, in any vehicle used to transport children or in the presence of a child.
• Staff’s personal belongings (purses, backpacks, coats, etc.) shall be inaccessible to children at all times.
• For the protection of children and adults, the Centers for Disease Control guidelines for handwashing and diapering procedures shall be followed.
• If older children are enrolled who lack independent toileting abilities, rules regarding diapering of preschool children shall apply; they shall be changed in a location designated for that purpose and which provides privacy from other children and adults.
• In order to avoid the spread of airborne diseases children shall be positioned on mats in a face to feet alternating pattern during naptime.
• All staff, substitute staff, volunteers are required to immediately report any reasonable suspicion of child abuse or neglect.

**Food**

• If any agency provides meals, the agency shall provide developmentally appropriate meals, snacks, and drinks for each child that are of sufficient proportions and nutritional value to meet each child’s health needs.
• A meal shall be offered to children who arrive before 7:00 a.m. and have not had breakfast at home.
• All special needs diets shall be prepared as prescribed by a physician or by the written instructions of the parent.
• Staff shall support and facilitate a parent’s decision to continue breast feeding.
• Children shall not be permitted to carry a bottle with them throughout the day.
• Caregivers and children shall wash their hands with soap and water.
• At mealtime, children shall be seated at tables and chairs of appropriate size, and adults shall sit with them.
• Frozen breast milk shall be dated when expressed.
• All formulas remaining in bottles after feeding shall be discarded.
• Microwave ovens, bottle warming devices, and crock pots, including cords, shall not be accessible to preschool children.
• School-age children shall use microwaves only under direct supervision.
• Previously opened baby food jars shall not be accepted in the center. If food is fed directly from the jar by the caregiver, the jar shall be used for only one feeding.
• Children shall never be left without adult supervision while eating.
• Home canned food and raw milk are prohibited.

**Physical Facilities**

• All facilities shall annually pass an inspection verifying compliance with all applicable state and local fire and environmental requirements.
• At least one (1) working, land-line telephone shall be present in the agency.
• If used, answering machines/voice mail shall be monitored at thirty (30) minute intervals except when staff and children are off premises.
• Parents informed that answering machines/voice mail are used.
• A minimum of thirty (30) square feet of usable indoor play space must be provided for each child.
• Outdoor play areas shall contain a minimum of fifty (50) square feet of usable play space for each child using the area at one time.
• Window blind cords and electrical cords on equipment shall be inaccessible to children.
- All rooms used by children shall be maintained at a temperature of between 68 to 78 degrees by means of heating, cooling or ventilation sources approved for use.
- Swimming pools and/or wading pools shall not be used without prior approval by the Health Department.
- If animals or birds are kept in classrooms as pets, they shall be caged away from the food storage and preparation area, and cages kept clean.

**Transportation**
- An adult must be in the vehicle whenever a child is in the vehicle.
- A passenger log with the first and last name of each child shall be used to track the loading and unloading of children during transport.
- If the child was loaded from home, the parent or other authorized person will additionally sign the log indicating that the child was placed on the vehicle.
- The log shall be updated as children are released from the vehicle.
- When the child is released to a parent or other authorized person, that person must sign the log indicating the release of that child to them.
- Immediately upon unloading the last child the driver must walk through the vehicle to confirm that all the children are off the vehicle.
- If a monitor was on the vehicle they shall walk through the vehicle as well.
- A designated agency person who did not ride on the vehicle shall also conduct a walk through of the vehicle.
- Drivers must obtain certification from Department of Safety.
- Drivers must submit to an annual health examination and pass a drug screening test.
- Drivers and monitors have certification in CPR and First Aid.
- All child care vehicles designed by the manufacturer to carry ten (10) or more passengers must be inspected by the Department of Safety.
- Effective January 1, 2007 all child care vehicles designed to carry ten (10) or more passengers must conform to the Federal Motor Vehicle Safety Standards for school buses.
- Child passenger restraints must be used in accordance with state law.
- Signage that includes the agency name and phone number and the Department's toll-free Child Care Complaint phone number must be on child care vehicles.
- Children shall not spend more than forty-five (45) minutes traveling one way to or from the agency's facility or to and from school (this provision does not apply to field trips).

**Care of Children with Special Needs**
- When children with disabilities are enrolled, all reasonable and appropriate efforts shall be made to provide each child an equal opportunity to participate in the same program activities as their peers.
- The agency shall have written individualized emergency plans for each disabled child who requires more assistance in emergencies.

**Sick Child Care**
- This type of care includes the supervision, protection, and meeting the basic needs of children who have short term illness, symptoms of illness, or who have a medical or technological dependency that requires continuous nursing intervention.
- Agencies that provide sick child care either as an exclusive service or as a component of an existing child care service must comply with additional rules specific to this type of care.

**Child Care Resource & Referral Centers**

Currently, there are eleven CCR&R centers located throughout the state. The centers help parents find the type of care that is best for their child or children. These community resources also give providers technical assistance to better serve the children in their care. Contact information for the CCR&R centers can be found on the Child Care Services web page.
